Over 35 years of spraying innovation

At BA Pumps and Sprayers, we like to keep things simple. Our approach to business is built around the premise of combining good old-fashioned Kiwi ingenuity, with the world's best components, backed up by nationwide support and service. As specialist suppliers and manufacturers of pumps, sprayers, spreaders and more, our custom-designed technology ensures you have everything you need for your agriculture, horticulture, and viticulture needs.

CUSTOM BUILD

BA CUSTOM-BUILT SPRAYERS

Whether you have a specific design in mind or need assistance in creating the perfect sprayer for your application, our team is ready to help.

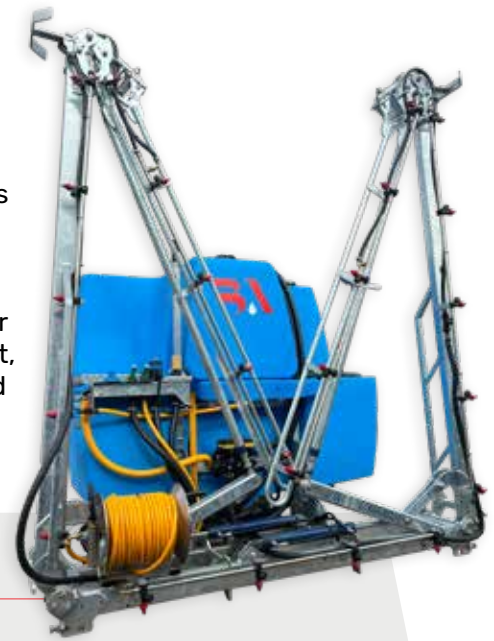

OUR CUSTOMISATION OPTIONS INCLUDE:

- ✓ Tank and Boom Size: Choose the capacity that suits your needs
- ✓ Pump Type: Select from a range of pumps to achieve the desired pressure and flow rate
- ✓ Nozzle Configuration: Customise your spray pattern and droplet size for precise application
- ✓ Control Systems: Implement advanced control features such as GPS integration, remote operation, and automation to enhance efficiency

SAFER, FASTER, STRONGER

INTRODUCING THE NEW LM SERIES AND M BOOM.

The new BA Pumps & Sprayers LM Linkage Sprayer with M Boom signifies a shift towards a more efficient, safer, and productive spraying solution for farmers. This innovative product, allows you to cover more ground per fill with complete control from the tractor seat.

LM LINKAGE SPRAYER

FEATURES:

- ✓ Available in 900 and 1150 litre tank sizes
- ✓ T-Shape Tank: Reduces mud and debris, keeping weight forward
- ✓ Ergonomic Operator Station: Product loading made easy with a built-in chemical induction hopper
- ✓ Operator Safety: Easy access steps and grab handles for safe access to the top lid
- ✓ In-Built Flush and Hand Wash Tanks: Ensures pump and lines are clean and prioritises operator safety
- ✓ Bertolini 75 litre POLY Pump: Standard for liquid fertiliser readiness
- ✓ 3-Section In-Cab Electric Control: Enables pressure adjustment and section control on the move
- ✓ Easy To Move: Forklift pockets in the tank frame make it easy to move your sprayer where you need it
- ✓ Pressure Gauge: Fitted on the cab side of the tank so you can check the pressure from the tractor
- ✓ Moulded tank calibration strip, with sight glass level indicator for clear visibility while operating
- ✓ Auto Rate, GPS, and ISOBUS Ready Upgrades: Available for advanced functionality

M BOOM*

FEATURES:

- ✓ 10 or 12 Metre options available
- ✓ Fully Hydraulic Operation: No operator intervention needed, full control from the tractor seat
- ✓ M Folding Mechanism with Wing Lift: Operated by only 2 tractor remotes (patent-pending)
- ✓ Built-in Breakaways: Safely clears obstacles during operation
- ✓ Smooth Outer Shape: Minimises fence hook-ups
- ✓ Skid plates: Protect the boom on rough terrain.
- ✓ Easy to Operate: Enhances productivity on almost any terrain
